

A stylized map of the Mt Hood National Forest area, represented by a light green irregular shape. Three dark green dots mark specific locations: one in the northwest, one in the northeast, and one in the east. Lines connect these dots to their respective labels: 'Portland' for the northwest dot, 'Mt Hood National Forest' for the northeast dot, and 'Trillium Lake' for the east dot. The label 'Timberline Lodge' is placed in the center-right area of the map.
