

Ontario State
Recreation Site

This is a map of the province of Ontario, Canada, rendered in a solid light green color. The map has a slightly irregular, torn-paper-like border. Three specific locations are highlighted with dark green circular markers. Each marker is connected to its corresponding label by a thin, dark green line. The labels are positioned to the left of the markers. The first label, 'Ontario State Recreation Site', is at the top and points to a marker in the northeast corner. The second label, 'Ontario', is in the center and points to a marker in the east-central region. The third label, 'Succor Creek Natural Area', is at the bottom and points to a marker in the south-central region.
